February 24<sup>th</sup>, 2010

This letter is of notification regarding changes in our phone and answering service. We will be switching over to an electronic system. The changes in the answering service will be finalized Friday, February 26<sup>th</sup>, 2010.

We feel this will be an improvement in communications between parishes, parishioners and all those needing the help or services provided the Chancery and Program offices. When extensions for individual offices are known, we will send out the list with the Weekly Bulletins in an effort for expediency.

We ourselves will be adjusting to the change. Please be patient with us and this new way of communicating.

Thank you for your help,
