Haiti Earthquake Relief

To the Faithful of the Diocese of Prince Albert,

Greetings of peace and love to all!

As of February 24, 2010, the Diocesan Finance Office has received contributions for the Haiti Relief Special Collection totaling \$ 65, 450. 79. Most of that total, \$57, 813.17, was received and forwarded before the deadline and is to be matched by Revenue Canada, nearly doubling our monetary aid.

I understand that contributions are still coming in to the diocese. We will continue to forward the monies for the special collection of Haiti until such a time when the offerings have stopped. The people of Haiti will now be in the rebuilding process and will need assistance for many years to come.

I wish to express my gratitude for the generosity you have shown to the people of Haiti, a people in need. We are the Hands of God on earth and through us He will assist the many in desperate circumstances.

Thank you and God Bless.

Sincerely yours in Christ,

+ Albert Thévenot, M. Afr.
Bishop of Prince Albert
